FEDERAL CONSISTENCY REVIEW NOTICE

The Massachusetts Office of Coastal Zone Management (CZM) Office is reviewing the proposals listed below for consistency with its enforceable program policies. Project proponents have filed a statement and accompanying information with the CZM Office certifying that their proposal is consistent with these policies. This information is available for public inspection at the CZM Office. Written comments may be submitted to the CZM Office within 21 days of the publication date of this *Environmental Monitor*. Anyone having technical questions regarding a particular project should contact the reviewer listed at the end of each notice below. Anyone having questions regarding the public comment process, or having comments on any project listed below should contact:

Jane W. Mead, Sr. Project Review Coordinator
Massachusetts Office of Coastal Zone Management
251 Causeway Street, Suite 900
Boston, MA 02114
617-626-1219

The City of New Bedford is proposing to dredge approximately 50,000 cubic yards of material from the slip south of State Pier, fairways leading to it, and parts of the federal channel and turning basin in New Bedford harbor. Contact Bob Gass.

The Massachusetts Port Authority is proposing to fill upland grassland habitat in conjunction with construction of the Centerfield Taxiway at Logan Airport. Contact Maureen Gaffney.
