

EARLY NOTICE TO SITE A WATER SUPPLY

The Wareham Fire District Water Department has applied to MassDEP for a Request for Site Exam application for siting a public water supply source to withdraw up to approximately 1.44 million gallons per day (MGD) of water from the ground of the Buzzards Bay Basin (Agawam River sub-basin), in the Town of Wareham. The location of the withdrawal point is approximately 1,800 feet due west of the northern end of Wareham Lakeshore Drive.

Written comments on the granting of a MassDEP permit to conduct additional testing of the site for a new or expanded water supply withdrawal are to be filed within thirty (30) days of publication of this notice in the Environmental Monitor. The written comments are to be submitted to the Drinking Water Program Section Chief at the MassDEP Southeast Regional Office, 20 Riverside Drive, Lakeville MA 02347.
