Innovative Technology Notice
Application Submitted Pursuant to Title 5, 310 CMR 15.000
Department of Environmental Protection
Wastewater Management Program
Transmittal Number: X228042
Application Filing Date: May 5, 2009

Public Notice is hereby given of the application by **Infiltrator® Systems Inc.** (the 'Company') to the Department of Environmental Protection requesting **Revision to Alternative Systems for General Use Approval** for the **Quick4 Plus Standard, Quick4 Plus Standard Low Profile (LP) and Quick4 Plus High Capacity Chamber**, pursuant to **310 CMR 15.288** of the Title 5 regulations. These provisions of Title 5 describe the approval process for **Approval of Alternative Systems for General Use of Innovative/alternative technologies** for the treatment and subsurface onsite disposal of sewage from facilities with design flows of less than 10,000 gallons per day.

The application proposes the use of alternative standards for the following provisions in Title 5:

The **Quick4 Plus series** Chamber system is an open-bottom leaching unit molded from polyolefin resin. It can be installed without aggregate or distribution pipe as an absorption trench in accordance with the requirements in 310 CMR.251 as a bed or field in accordance with the requirements in 310 CMR 15.232.

The Department welcomes any interested parties to provide any relevant information concerning the performance of this technology to be considered in the review process. The Department will consider all data and written comments submitted within 21 days after the publication of this notice in order to decide whether to grant approval pursuant to 310 CMR 15.000. To schedule a time to review the application or to obtain further information regarding this application please contact the Wastewater Management Program at (617) 556 - 1168. All written comments should be submitted to: Department of Environmental Protection, Wastewater Management Program, One Winter Street, 5th Floor, Boston, MA 02108.

If you wish notification of the Department's preliminary determination concerning this application, please send to the Department a written request with your comments, if any, within 21 days from the publication date of this Environmental Monitor.
