

The Town of Pembroke Department of Public Works has applied to DEP for a Request for Site Exam application for siting a public water supply source to withdraw up to approximately 300,000 mgd of water from the ground water of the Taunton River Basin, in Pembroke, MA.

This site has been located just south of Little Sandy Pond, off of Elmer Road in Pembroke, MA. The proposed site is at 42° 1' 59.87" North, 070° 49' 40.42" West.

Written comments on the granting of a DEP permit to conduct additional testing of the site for a new or expanded water supply withdrawal are to be filed within thirty (30) days of publication of this notice in the Environmental Monitor. The written comments are to be submitted to the Drinking Water Program Section Chief at the DEP Southeast Regional Office, 20 Riverside Drive, Lakeville MA 02347.
