

Early Notice / Environmental Monitor

The Provincetown Water Department has applied to DEP for a Request for Site Exam/Pump Test for siting a public water supply source to withdraw up to approximately 1.0 million gallons per day (MGD) of water from the groundwater of the Pamet Lens, in Truro, Massachusetts. The location(s) of the withdrawal point(s) is at North Union Field, which is located approximately ½-mile due east of the Truro Middle School off Route 6.

Written comments on the granting of a DEP permit to conduct additional testing of the site for a new or expanded water supply withdrawal are to be filed within thirty (30) days of publication of this notice in the Environmental Monitor. The written comments are to be submitted to the Drinking Water Program Section Chief at the DEP Southeast Regional Office, 20 Riverside Drive Lakeville, MA 02347.
