DEPARTMENT OF ENVIRONMENTAL PROTECTION Waterways Regulation Program

Notice of License Application pursuant to M.G.L. Chapter 91
Waterways License Application Number W02-0494
Notification Date: November 15, 2002

Public notice is hereby given of the application by the Refuse Energy Systems Company to construct and maintain an intertidal float and hay staddle blind in the Pines River in the municipality of Saugus. The proposed use of the structure is to provide wildlife observation and noncommercial docking and boating access to navigable waters and is a water dependant project.

The Department will consider all written comments submitted 30 days subsequent to the "Notification Date". A public hearing may be held upon written request by the municipal official. Furthermore, a municipality, ten citizen group or any aggrieved person that has submitted comments may also "petition of intervene" to become a party before the close of the comment period. Failure to submit such petition will result in the waiver of any rights to an adjudicatory hearing. For information call (978)661-7600. Plans and documents for this application are on file with the Department for public viewing at the address below. Written comments should be addressed to J. Sprague, Section Chief, DWW, 205A Lowell Street, Wilmington, MA 01887.
