TO: Bureau of Waste Site Cleanup

FROM: Frank Ricciardi, PE, LSP

DATE: July 31, 2020

SUBJECT: Release Tracking Number (RTN) 3-36304
BWSC105 Form - Section H.2. - Statement of Provisions Regarding MassDEP
Approval of IRA

This memo is to confirm that the Statement of Provisions required for BWSC105 Form – Section H.2 is included as part of the Immediate Response Action (IRA) Plan uploaded with Transaction # 1212303. The IRA Plan is attached, as required, for BWSC105 Form Section B.02.

It should be noted that, contrary to the comments provided by MassDEP in the BWSC101 Form (Release Log Form) summarizing the verbal IRA approval on June 3, 2020, it was determined that the that installation of polyethylene sheeting on the ground surface to prevent airborne dust was not feasible because it is a wooded and heavily vegetated area.
