WATER RESOURCES COMMISSION
100 CAMBRIDGE STREET, BOSTON MA 02114

Massachusetts Water Resources Commission

**Receipt of a Request for Determination of Applicability
Under the Interbasin Transfer Act
MGL Chapter 21 Sections 8b-8d**

On January 30, 2008, the Massachusetts Water Resources Commission (WRC) received a request for determination of applicability under the Interbasin Transfer Act (M.G.L. Chapter 21 §§ 8B-8D) from the town of Foxborough for a regional wastewater disposal plan. Foxborough is proposing to transfer approximately 0.02 mgd of wastewater from the Neponset River basin to the Taunton River basin, if the Town joins a regional wastewater disposal facility. However, this may be offset by an import of approximately 0.11 mgd from sources within the Taunton River basin that will be discharged through a wastewater treatment plant at Patriots Place in the Neponset River basin.

If all the required information has been provided, the WRC will discuss this request at its March 13, 2008 meeting. A vote to approve or deny the request may be taken at this meeting. However, if it is not voted upon at the March meeting, a vote will be taken at the April 10, 2008 WRC meeting. These meetings are scheduled to be held at 1 PM in Conference Room 2B, second floor of the Saltonstall Building, 100 Cambridge Street, Boston, MA.

As required by the Interbasin Transfer Act regulations (313 CMR 4.00), copies of this notice have been sent to the municipalities directly affected. For further information, contact Michele Drury, Department of Conservation and Recreation, Office of Water Resources, (617) 626-1366.
