

The Charlton Board of Water & Sewer Commissioner has applied to MADEP for a Request for Site Exam and Pumping Test Proposal application for siting and testing a public water supply source to withdraw up to approximately 0.37 MGD of water from the ground of the French River Basin in Charlton, Massachusetts. The location of the proposed withdrawal point is near Buffumville Reservoir off of Oxford Road and A.F. Putnam Road in Charlton, Massachusetts.

Written comments on the granting of a MADEP permit to conduct additional testing of the site for a new water supply withdrawal are to be filed within thirty (30) days of publication of this notice in the Environmental Monitor. The written comments are to be submitted to the Water Management Program at the Central Regional Office of the Department of Environmental Protection at 627 Main Street in Worcester, Massachusetts 01608.
