

NOTICE OF SITE RECLASSIFICATION

Mobil Station No. 11658 (Formerly 01-081)

19 Ames Street

Dedham, Massachusetts 02026

MADEP Site No. 3-2716, Linked RTN 3-21116, 3-23153, and 3-23994

A release of oil and/or hazardous materials has historically occurred at this location which is a disposal site (as defined by M.G.L. c. 21E, Section 2). This site has been reclassified as Tier IC (310 CMR 40.0500), and a Tier IC Permit Application is being submitted by March 5, 2005, to the Massachusetts Department of Environmental Protection (MADEP) pursuant to 310 CMR 40.0703. A permit is required to proceed with Comprehensive Remedial Responses at all Tier I sites.

Anyone interested in reviewing the Tier I Permit Application should notify MADEP by writing to MADEP, Bureau of Waste Site Cleanup, Permit Section, Northeast Region, One Winter Street, Boston, Massachusetts 02108, within 21 days of this legal notice publication date (March 11, 2005). Such written comments shall be submitted to the MADEP and to the permit applicant. If anyone notifies MADEP of his or her interest in reviewing or submitting comments to the Tier I Permit Application, MADEP will consider and respond as it deems appropriate to public comments received regarding the subject permit applications. Anyone who fails to notify MADEP in writing of his/her interest in commenting on the application by the above date may be deemed to have waived his/her rights, if any, to appeal MADEP's permit decision or to intervene in an adjudicatory proceeding with respect to this application, pursuant to 310 CMR 40.0770(2).

M.G.L. c. 21E and the Massachusetts Contingency Plan (MCP) provide additional opportunities for public notice of, and involvement in, decisions regarding response actions at disposal sites: 1) The Chief Municipal Official and Board of Health of the community in which the site is located will be notified of major milestones and events, pursuant to 310 CMR 40.1403; and 2) Upon receipt of a petition from ten or more residents of the municipality in which the disposal site is located, or of a municipality potentially affected by a disposal site, a plan for involving the public in decisions regarding response actions at the site will be prepared and implemented, pursuant to 310 CMR 40.1405.

To obtain more information on this disposal site and the opportunities for public involvement during its remediation, please contact Ms. Elizabeth Zinkevicz, Project Manager, Mobil Business Resources Corporation, 52 Beacham Street, Everett, Massachusetts 02149, at 617-381-2851.
