

## NOTICE OF REMEDIAL ACTION PLAN

12 HAYNES HILL ROAD  
WALES, MA  
RELEASE TRACKING NUMBER 1-12050

A **Remedial Action Plan** (310 CMR 40.0861) has been developed for this site pursuant to the Massachusetts Contingency Plan (310 CMR 40.1406). This disposal site was classified as Tier IB in April 2000 and granted a Waste Site Cleanup Permit on October 17, 2000.

The **Remedial Action Plan** proposes the following measures to respond to a release of oil and/or hazardous material at this disposal site:

- ◆ Providing filtration and/or bottled water to affected site drinking water wells downgradient of the release .
- ◆ Continued quarterly groundwater monitoring of affected wells within the site limits until four consecutive quarters show concentrations below analytical detection limits.

M.G.L. 21E and the Massachusetts Contingency Plan provide additional opportunities for public notice of and involvement in decisions regarding response action at disposal sites: 1) The Chief Municipal Official and Board of Health of the community in which the site is located will be notified of major milestones and events, pursuant to 310 CMR 40.1403; and 2) Upon receipt of a petition from ten or more residents of the municipality in which the disposal site is located, or of a municipality potentially affected by a disposal site; a plan for involving the public in decisions regarding response actions at the site will be prepared and implemented, pursuant to 310 CMR 40.1405.

To obtain more information on this disposal site and the opportunities for public involvement during its remediation, please contact:
