FEDERAL CONSISTENCY REVIEW NOTICE

The Massachusetts Office of Coastal Zone Management (CZM) Office is reviewing the proposals listed below for consistency with its enforceable program policies. Project proponents have filed a statement and accompanying information with the CZM Office certifying that their proposal is consistent with these policies. This information is available for public inspection at the CZM Office. Written comments may be submitted to the CZM Office within twenty-one days of the publication date of this *Environmental Monitor*, or as otherwise noted below. To submit comments electronically, send an e-mail to Truman.Henson@state.ma.us.

Anyone having technical questions regarding a particular project should contact the reviewer listed at the end of each notice below. Anyone having questions regarding the public comment process, or having comments on any project listed below should contact:

Truman Henson, Project Review Coordinator
Massachusetts Office of Coastal Zone Management
251 Causeway Street, Suite 800
Boston, MA 02114
617-626-1219

The **Boston Water & Sewer Commission** and the **Massachusetts Water Resources Authority** are proposing to modify an existing National Pollutant Discharge Elimination System permit to allow for the discharge from a newly constructed facility at Union Park, via an existing combined sewer overflow at Fort Point Channel. Contact Todd Callahan at 617-626-1233.

Sprague Energy has applied for a National Pollutant Discharge Elimination System permit to discharge into waters of the Town River Bay in Quincy. Contact Todd Callahan at 617-626-1233.
