

Public Notice

Pursuant to 33 U.S.C. 1341 and M.G.L. c. 21 §§ 26 - 53, notice is given of a 401 Water Quality Certification application for Davis Drive in Marlboro, Mass. The project involves filling of 613 square feet of bordering vegetated wetlands which eventually drain into the Sudbury Reservoir, which by definition, makes the wetland an "Outstanding Resource Water." The project proponent is Robert Valchuis, 180 Farm RD, Marlboro, MA. 01752. Additional information may be obtained from Jerome B. Carr, Ph.D. at Carr Research Laboratory, Suite D-36, 251 West Central ST, Natick, MA 01760, Tel: (508)651-7027. Written comments should be sent to Mr. Ken Chin, Dept. of Environmental Protection, Division of Wetland and Waterways, 1 Winter ST, Boston MA 02108 within 21 days of this notice, with a copy to Dr. Carr. Any group of ten persons, any aggrieved person, or any governmental body or private organization with a mandate to protect the environment that has submitted written comments before the end of the public comment period, may also appeal the Department's Certification. Failure to submit written comments before the end of the public comment period may result in the waiver of any right to an adjudicatory hearing.
