**NOTICE OF AN APPLICATION FOR
A MAJOR PERMIT MODIFICATION**
FORMER TEXACO SERVICE STATION
593 BROADWAY (ROUTE 138)
RAYNHAM, MA
RELEASE TRACKING NUMBER 4-0787
TIER 1C PERMIT NUMBER W009784
DEP TRANSMITTAL NO. W059337

Pursuant to the Massachusetts Contingency Plan (310 CMR 40.0703), an application for a **Major Permit Modification** is being submitted to the Department of Environmental Protection (DEP) for the above referenced site on March 25, 2005. The application proposes the following modifications and rationale:

- ◆ Impacts to surface water have been identified since the Tier 1C classification.
- ◆ NRS re-scoring indicates the site has gone from a Tier 1C to a Tier 1B site

Anyone interested in reviewing the Major Permit Modification application should notify the DEP by writing to DEP, Southeast Regional Office, Bureau of Waste Site Cleanup, Permit Section at 20 Riverside Drive in Lakeville, MA 02347 within twenty (20) days of publication of this legal notice. If anyone notifies the DEP of his or her interest in reviewing or submitting comment on the application, the DEP will conduct a public comment review period of twenty (20) days, which shall run concurrently with the DEP's Initial Technical Review of the application. Anyone who fails to notify the DEP in writing of his/her interest in commenting on the application by the above date may be deemed to have waived his/her rights, if any, to appeal the DEP's permit decision or to intervene in an adjudicatory proceeding with respect to this application, pursuant to 310 CMR 40.0770(2).

M.G.L. c. 21E and the Massachusetts Contingency Plan provide additional opportunities for public notice of and involvement in decisions regarding response actions at disposal sites: 1) The Chief Municipal Officer and Board of Health of the community in which the site is located will be notified of major milestones and events, pursuant to 310 CMR 40.1403; and 2) Upon receipt of a petition from ten or more residents of the municipality in which the disposal site is located, or of a municipality potentially affected by a disposal site, a plan for involving the public in decisions regarding response actions at the site will be prepared and implemented, pursuant to 310 CMR 40.1405.

To obtain more information on this disposal site and the opportunities for public involvement during its remediation, please contact Adam J. Last, P.E., LSP, Corporate Environmental Advisors, Inc., 127 Hartwell Street, West Boylston, MA 01583, or at (508) 835-8822.
