

## Public Notice

Pursuant to 33 U.S.C. 1341 M.G.L. c. 21 S 43, notice is given of an application for 401 Water Quality Certification is pending before the Department of Environmental Protection for the Rehabilitation of the Nahant Beach Reservation, in the Town of Nahant and City of Lynn, Massachusetts. This project is proposed by the Massachusetts Department of Conservation and Recreation (DCR) will reconstruct and/or repair major elements within the Reservation, including the existing roadway, storm drainage and lighting systems, reservation entrance and exit, existing stone revetment, seawalls and boat ramp. Additionally, it is proposed to protect a portion of the existing seawalls with new stone revetment. Mitigation for impacts in the form of saltwater marsh restoration in Rumney Marsh is proposed (in Saugus, MA).

Additional information may be obtained from Stantec Consulting Services, Incorporate, 5 LAN Drive, Westford MA 01886 or by calling Mr. William Mertz of Stantec Consulting at (978) 577-1410.

Written comments on this application should be sent within twenty-one (21) days of this notice to:

Massachusetts Department of Environmental Protection  
Division of Wetlands and Waterways  
205B Lowell Street  
Wilmington, MA 01887

Any group of ten persons, any aggrieved person, or any governmental body or private organization with a mandate to protect the environment who submits written comments may appeal the Department's Certification. Failure to submit written comments before the end of the public comment period may result in the waiver of any right to an adjudicatory hearing.
