RE: Public Legal Notice  
H&V Landfill  
219 Townsend Road  
West Groton, Massachusetts  
RTN: #2-13720

To Whom it May Concern:

Please publish the following in "The Environmental Monitor," under miscellaneous notices, Department of Environmental Protection, as an Initial Site Investigation and Tier 1C Classification:

A Phase 1 Report and Tier 1C Classification for the above referenced property has been submitted to the Central Regional Office of the Department of Environmental Protection in response to metals in groundwater.

As part of this submission, a Tier 1C permit application will be filed with the Department on or about May 21, 2002. The applicant for this permit is:

Hollingsworth and Vose  
219 Townsend Road  
West Groton, MA 01472  
(978) 772-0843

As part of MGL 310 CMR 40.0000 the public may review and comment on the permit application. The public is invited to contact the environmental consulting firm performing the Phase 1 Report and Tier Classification.

Pine and Swallow Associates  
867 Boston Road  
Groton, MA 01450  
(978) 448-9511

The public may also notify the Department of Environmental Protection in writing of their intent to participate in the permit application review process. The deadline by which members of the public must notify the Department in writing is June 11, 2002. The person who submits written comment during the public comment period may petition to become a party in the proceeding and failure to submit such comment may result in

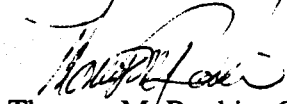

waiver in any right to an adjudicatory hearing pursuant to 310 CMR 0770(2).  
Notifications to the Department should be submitted to:

DEP Central Region  
Waste Site Cleanup  
627 Main Street  
Worcester, MA 01605

The invoice for this publication should be sent to:

Ms. Kathleen Puff  
P.O. Box 168  
West Groton, MA 01472

Sincerely yours,
