West Groton Water Supply District
Application for a Water Management Act Permit
Permit #9P2-2-11-115.01

The West Groton Water Supply District has applied to DEP for a permit to add a location to withdraw water from the ground in the Nashua River Basin in Groton, Massachusetts. The West Groton Water Supply District is currently authorized through a Water Management Act registration (#2-11-115.01) to withdraw 0.27 million gallons per day (or 98.55 million gallons per year) through the year 2014. The permit will not authorize additional withdrawal volume. The location of the new withdrawal is in the Town Forest approximately 1,000 feet northeast of the Squannacook River.

A copy of this application is available for review at the DEP office, 627 Main St., Worcester, MA. Call the DEP Service Center at (508) 792-7683 to arrange an appointment. The application can also be reviewed at the office of the West Groton Water District, 309 West Townsend Rd., Groton, MA, (978) 448-3711.

Written comments on the granting of a DEP permit for this withdrawal are to be filed within thirty (30) days of publication of this Legal Notice. The written comments are to be submitted to Doug DeNatale, Commissioner, West Groton Water District, 309 West Townsend Rd., Groton, MA 01450 AND to DEP, 627 Main St., Worcester, MA 01608. Attention: Barbara Kickham.
