

**DEPARTMENT OF ENVIRONMENTAL PROTECTION**

**Public Notice**

**Joint 401 Water Quality Certification Application and Chapter 91 License Application**

**Notification Date:** 6-11-08

Pursuant to 33 U.S.C. 1341 and M.G.L. c. 21 §43, notice is given of a 401 Water Quality Certification (WQC) Application and M.G.L. Chapter 91 Waterways License Application is being filed by the Town of Newbury to replace an undersized culvert under Newman Road in Newbury to restore a salt marsh. The culvert is within the jurisdiction of flowed tidelands. The proposed project is water-dependent. Additional information about this project and the permit applications may be obtained from the DEP (Information below), The Town of Newbury or via Chris Gajeski of The Louis Berger Group Inc. - cgajeski@louisberger.com / 978.853.3819

Written comments on the 401 WQC must be sent within **twenty-one (21) days of this notice to:**

Department of Environmental Protection  
MassDEP Northeast Region (Wetlands)  
205B Lowell Street  
Wilmington, Massachusetts 01887

Written comments on the Chapter 91 License Application must be sent within **thirty, (30) days of this notice to:**

Waterways Regulation Program  
One Winter Street - 6th Floor  
Boston, MA 02108

Any group of ten persons, any aggrieved person, or any governmental body or private organization with a mandate to protect the environment who submits written comments may appeal the Department's Certification and Chapter 91 License. Failure to submit written comments before the end of the public comment period may result in the waiver of any right to an adjudicatory hearing.
