

EARLY NOTICE / Environmental Monitor

The North Chelmsford Water District has applied to MassDEP for a Request for Site Exam/Pump Test Proposal application for siting a public water supply source to withdraw up to approximately 0.576 mgd of water from the Nashua River Basin, in the Town of North Chelmsford, Massachusetts. The proposed location is at the existing Town of North Chelmsford, Bomil Well Site, off Richardson Road.

Written comments on the granting of a MassDEP permit to conduct additional testing of the site for a new or expanded water supply withdrawal are to be filed within thirty (30) days of publication of this notice in the Environmental Monitor. The written comments are to be submitted to the Drinking Water Program Section Chief at the MassDEP Northern Regional Office 205B Lowell Street, Wilmington, Massachusetts 01887.
