WATERWAYS REGULATION PROGRAM**

**Notice of License Application pursuant to M. G. L. Chapter 91
Waterways License Application Transmittal #W229640
Massachusetts Department of Conservation and Recreation**

NOTIFICATION DATE: (June 26, 2008)

Public notice is hereby given of the application by the Massachusetts Department of Conservation and Recreation to repair/replace existing access ramps to Short Beach and install and maintain a pile supported walkway over a salt marsh and tidal stream along Winthrop Parkway and Revere Street in the municipalities of Revere and Winthrop in and over filled and flowed tidelands of Broad Sound and Belle Isle Marsh. The proposed use of the project is to provide shoreline stabilization and public access to waterfront open space for passive recreational purposes and is a water dependent project.

The Department will consider all written comments on this Waterways application received by within 30 days subsequent to the "Notification Date". Failure of any aggrieved person or group of ten citizens or more, officials of the Town of Winthrop or City of Revere, to submit written comments to the Waterways Regulation Program by the Public Comments Deadline will result in the waiver of any right to an adjudicatory hearing in accordance with 310 CMR 9.13(4)(c).

Additional information regarding this application may be obtained by contacting the Waterways Regulation Program at (617) 292-5500. Project plans and documents for this application are on file with the Waterways Regulation Program for public viewing, by appointment only, at the address below. The application is also available for viewing at the Winthrop Public Library at 2 Metcalf Sq., and at the Revere Public Library at 179 Beach Street. Written comments must be addressed to: David Slagle, Environmental Analyst, MassDEP-WRP, One Winter St., 5th fl., Boston, MA 02108.
