

**DEPARTMENT OF ENVIRONMENTAL PROTECTION
WATERWAYS REGULATION PROGRAM**

**Notice of License Application pursuant to M.G.L. Chapter 91
Waterways License Application Number W07-2010
David Pabich**

NOTIFICATION DATE: July 26,2007

Public notice is hereby given notice of the application by David Pabich to maintain an existing seawall and perform beach nourishment at 8 Harbor View Terrace in the municipality of Salem in and over flowed tidelands of Salem Harbor. The proposed use of the project is to provide shoreline stabilization and is a water dependent project.

The Department will consider all written comments on this Waterways application received within 30 days subsequent to the "Notification Date" . Failure of any aggrieved person or group of ten citizens or more to submit written comments to the Waterways Regulation Program by the Public Comments Deadline will result in the waiver of any right to an adjudicatory hearing in accordance with 310 CMR 9.13(4)(c).

Additional information regarding this application may be obtained by contacting the Waterways Regulation Program at (617) 292-5500. Project plans and documents for this application are on file with the Waterways Regulation Program for public viewing, by appointment only, at the address below. Written comments must be addressed to: Ben Lynch, Program Chief, WRP, One Winter St., 5th fl., Boston, MA 02108.
