Public Notice

Department of Environmental Protection
Division of Wetlands and Waterways
Northeast Region
One Winter Street
Boston, MA 02108

An application for 401 Water Quality Certification is pending before the Department of Environmental Protection for the reconstruction of the I-95 / Route 2A - Exit 30 Service Area Storm Drainage System Improvements in Lexington, MA, by the Massachusetts Highway Department (Attn: Environmental Section, Patrick Leahy, Ten Park Plaza, Room 4260, Boston MA 02116). The project proposes to renovate the drainage system of the Service Area and create stormwater facilities to treat runoff before it flows to the Cambridge Reservoir. Additional information may be obtained from the Massachusetts Highway Department at the above address, Attention: Patrick Leahy, 617.973.8245. Written comments should be sent to DEP, Northeast Region, Division of Wetlands and Waterways, One Winter Street, Boston, MA 02108 within 21 days of this notice. Any group of ten persons, any aggrieved person, or any governmental body or private organization with a mandate to protect the environment that submits written comments may appeal the Department's Certification. Failure to submit written comments before the end of the public comment period may result in the waiver of any right to an adjudicatory hearing.
