**Water Management Act Permit Amendment Application
Received by the Department of Environmental Protection
For the Nashua River Basin
By the Shirley Water District
Water Management Act Permit #9P2-2-11-270.01**

Shirley Water District has applied for an amendment to its Water Management Act permit in the Nashua River basin. Shirley Water District is requesting to add a withdrawal location to its existing permit. Shirley Water District is authorized to withdraw 0.31 million gallons per day from groundwater sources through February 28, 2014. The permit amendment will not authorize an increase in total annual withdrawal volume. The proposed withdrawal is referred to as the Walker Well.

A copy of this application is available for review at MassDEP, 627 Main St., Worcester, MA. Call the MassDEP Service Center at (508) 792-7683 to arrange an appointment. The application can also be reviewed at the Shirley Water District office, 124 Ayer Road, Shirley, MA. Call (978) 425-2245 to arrange an appointment.

Written comments on the granting of a MassDEP permit amendment for this withdrawal location are to be filed within thirty (30) days of publication of this notice in the Environmental Monitor (by September 12, 2009). The written comments are to be submitted to MassDEP, 627 Main St., Worcester, MA 01608, Attention: Barbara Kickham.
