Re: PUBLIC NOTICE OF WATERWAYS LICENSE APPLICATION No. W07-2009
Danvers River, Salem, Essex County

Dear Applicant:

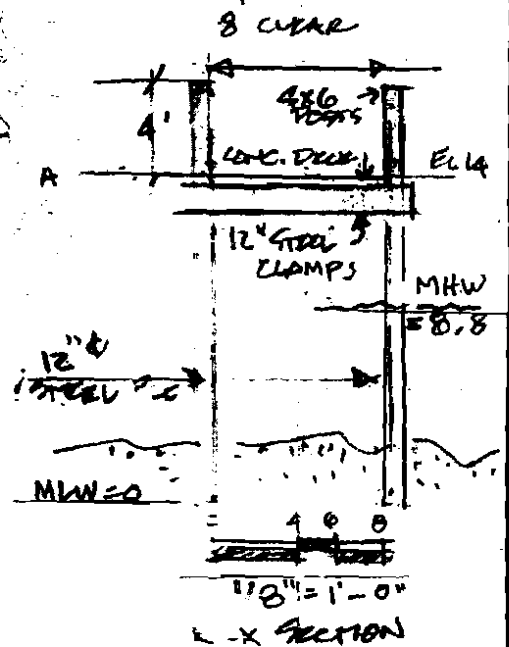

The Waterways Regulation Program (WRP) has received your application requesting authorization to perform certain activities in state waterways pursuant to M.G.L. Chapter 91, the Public Waterfront Act and its regulations at 310 CMR 9.00 etc. The WRP has assigned this application filing with the above-referenced Waterways License application number. **IT IS IMPERATIVE THAT YOU REFER TO THIS APPLICATION NUMBER WHENEVER YOU SUBMIT OR REQUEST INFORMATION FOR THIS FILE.** Upon review of this application, the WRP has made a determination that this project is a Water-dependent Use Project.

Attached is the WRP's Public Notice form for this application. The Applicant is required to publish this notice, at his/her expense, in one or more newspapers having circulation in the area affected by the proposed activity. This notice must be published in the local newspaper(s) for at least one day on or before Notification Date. The required public comment period shall begin on this designated Notification Date. The Applicant is required to submit proof of publication to the WRP by sending a copy of the newspaper notice showing the date of publication or a copy of the newspaper notice and a letter from the newspaper indicating the date the public notice was published.

Pursuant to 310 CMR 9.13(1)(a), the Applicant is also required to concurrently provide this notification, along with a copy of the project site plans submitted with the Waterways License Application, to the appropriate municipal officials, regulatory agencies and abutters to the project for their review and comment, by Certified mail, (see Notification mailing list attached).
