### Public Notice Announcement

*Pursuant to 33 U.S.C. 1341 and M.G.L. c. 21 §§ 26-53, notice is given of a 401 Water Quality Certification for Anomaly Repair and Pipeline Maintenance Activities by Tennessee Gas Pipeline Company, 8 Anngina Drive, Enfield, CT 06082. This application is being submitted in order to perform necessary maintenance and repairs to an existing gas pipeline along an existing right of way south of Crystal Lake in Haverhill, MA. The proposed maintenance will result in the temporary disturbance of bordering vegetated wetlands downgradient but within 400 feet of Crystal Lake. Due to the location of the work, no impacts to the Lake or its watershed are anticipated. Additional information may be obtained from Marc Bergeron, Senior Wetland Scientist, BSC Group at (617) 896-4524. Written comments should be sent to DEP Northeast Regional Office, Division of Wetlands and Waterways, 205 Lowell Street, Wilmington, MA 01887 within twenty-one days of this notice. Any group of ten persons, any aggrieved person, or any governmental body or private organization with a mandate to protect the environment who submits written comments may appeal the Department's Certification. Failure to submit written comments before the end of the public comment period may result in the waiver of any right to an adjudicatory hearing.*
