**DEPARTMENT OF ENVIRONMENTAL PROTECTION  
WATERWAYS REGULATION PROGRAM**

Public Meeting Notice  
Fan Pier project, Northern Avenue, South Boston

Wednesday, September 24, 2008 at 3:00 PM at  
Department of Environmental Protection, Conference Room A (2<sup>nd</sup> Floor)  
One Winter Street, Boston

In accordance with the final Consolidated Written Determination ("CWD") issued for this project in November, 2002, the applicant, Fan Pier Development LLC, has submitted plans and other application materials for the construction of a building on parcel A. The plans and application materials have been determined by the Waterways Regulation Program (WRP) to be in substantial conformance with the project as approved by the CWD. The WRP has scheduled this public informational meeting to provide the public an opportunity to view and comment upon the final design of the building to be licensed at this time. The WRP may incorporate any comments received that are consistent with the terms and conditions of the CWD into the license to be issued for the buildings.

Comments may be submitted verbally at the meeting or in writing. The deadline for submitting comments is October 14, 2008. Written comments may be addressed to Alex Strysky, DEP Waterways Program, One Winter Street, Boston, MA 02108 or sent by email to [alexander.strycky@state.ma.us](mailto:alexander.strycky@state.ma.us). For additional information, please contact Alex Strysky of the Waterways Program at (617)292-5616 or by email at [alexander.strycky@state.ma.us](mailto:alexander.strycky@state.ma.us).
