

**DEPARTMENT OF ENVIRONMENTAL PROTECTION
WATERWAYS REGULATION PROGRAM**

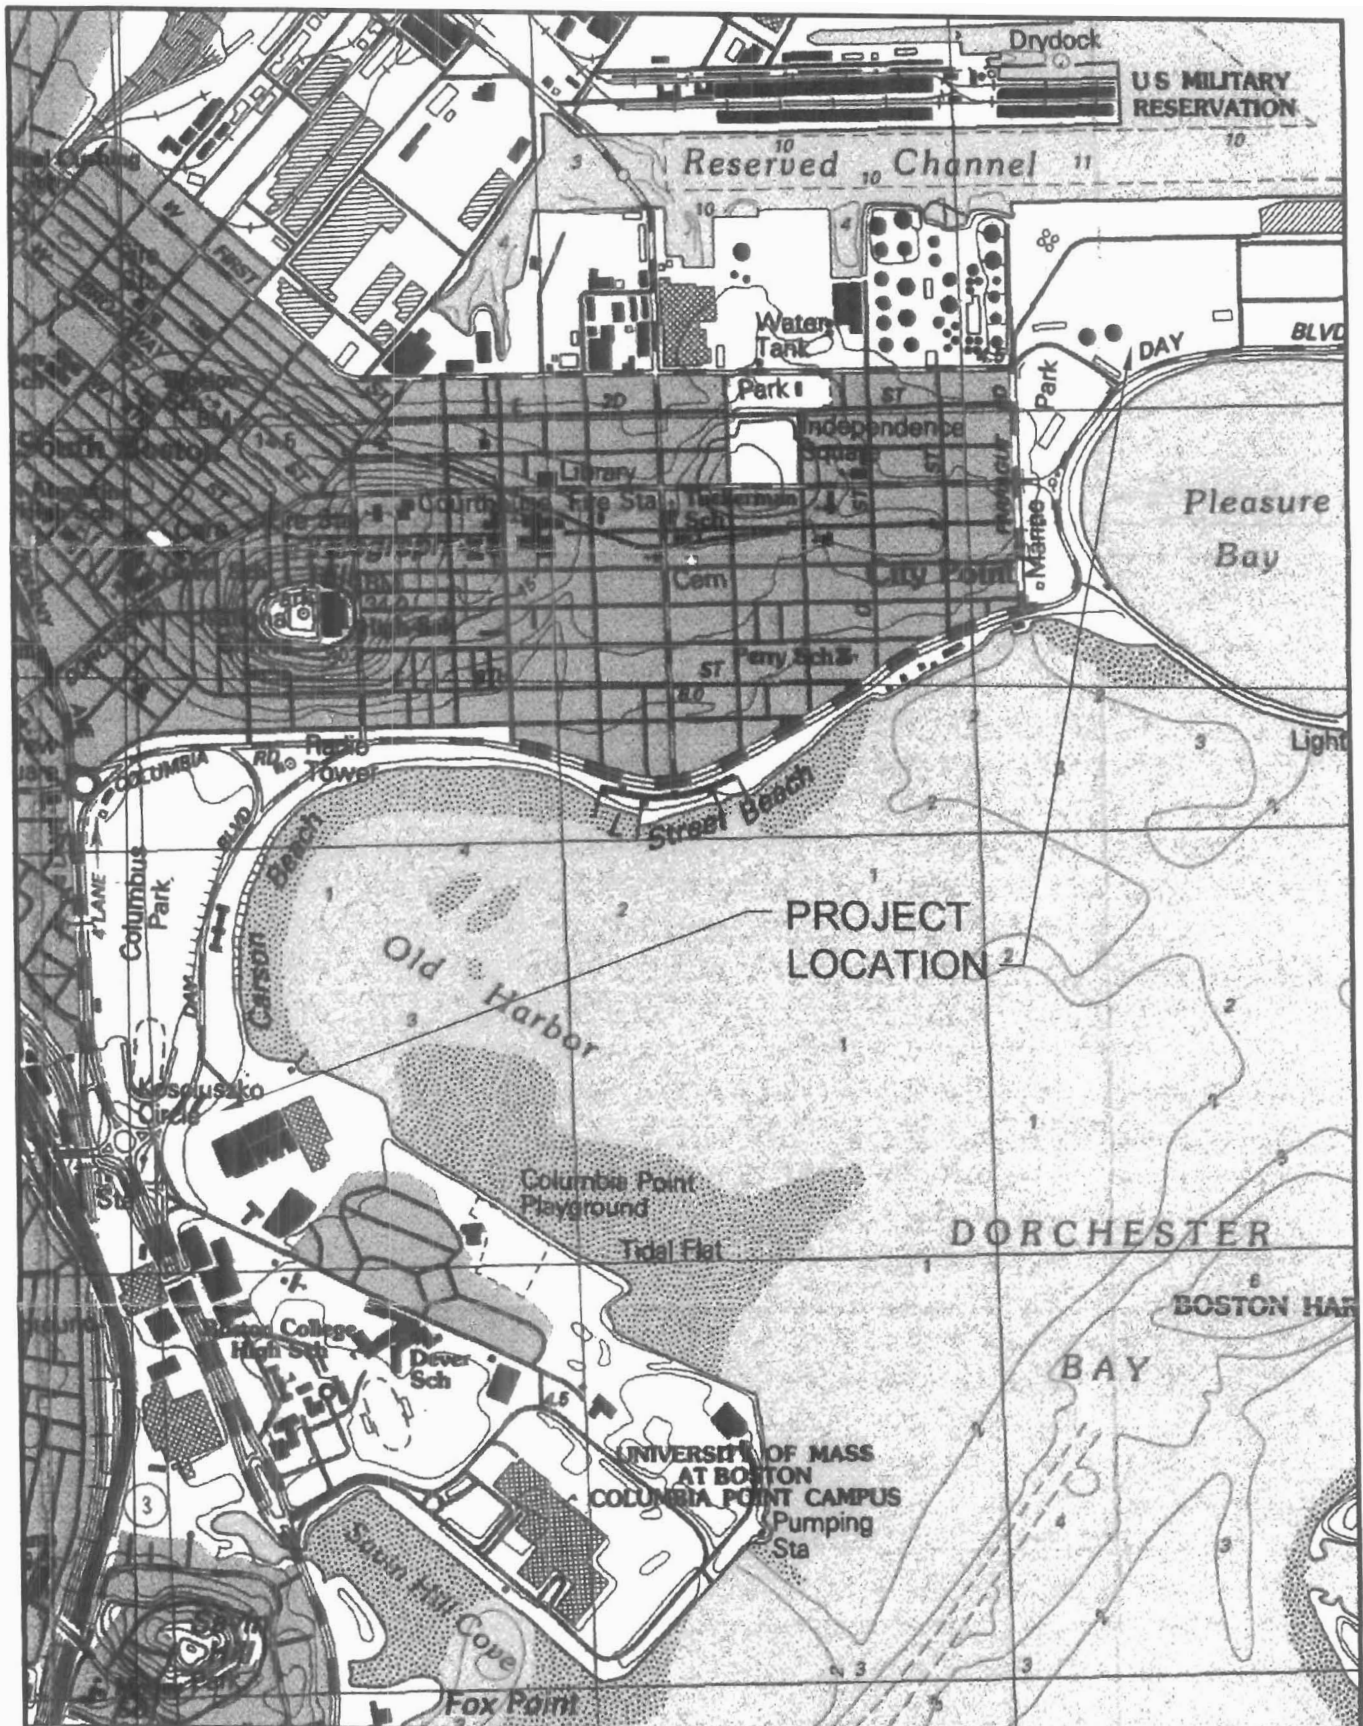

**Notice of License Application pursuant to M. G. L. Chapter 91
Waterways License Application Number W08-2438
Massachusetts Water Resources Authority**

NOTIFICATION DATE: September 5, 2008

Public notice is hereby given of the application by Massachusetts Water Resources Authority to construct and maintain a pumping station in Conley Terminal; a remote odor control facility at 125 William J. Day Boulevard and a 24-inch force main in William J. Day Boulevard municipality of Boston in and over filled tidelands of Dorchester Bay. The proposed use of the project is to provide for the conveyance and treatment of wastewater and is a water dependent project.

The Department will consider all written comments on this Waterways application received by within 30 days subsequent to the "Notification Date". Failure of any aggrieved person or group of ten citizens or more to submit written comments to the Waterways Regulation Program by the Public Comments Deadline will result in the waiver of any right to an adjudicatory hearing in accordance with 310 CMR 9.13(4)(c).

Additional information regarding this application may be obtained by contacting the Waterways Regulation Program at (617) 654-6520. Project plans and documents for this application are on file with the Waterways Regulation Program for public viewing, by appointment only, at the address below. Written comments must be addressed to: David Slagle, MassDEP - WRP, One Winter St., 5th fl., Boston, MA 02108.
