## **NORTH SHORE TRANSIT IMPROVEMENTS SCOPING REPORT AVAILABLE FOR REVIEW**

A report summarizing the Draft Environmental Impact Statement (DEIS) scoping process of the North Shore Transit Improvements project was published on Tuesday, August 27, 2002. The Scoping Report includes the views of those participating in the scoping process and the resulting summary of the issues to be analyzed in the DEIS.

The Scoping Report was mailed to members of the North Shore Transit Improvements Steering Committee and to the federal and state agencies invited to attend the original Scoping Session held on March 27, 2002. The report was also sent to interested members of the Congressional Delegation.

The Scoping Report will be available in the following locations and in the following formats:

1. On Line at [www.mbta.com](http://www.mbta.com)
2. In the reference departments of the 32 public libraries in the Major Investment Study (MIS) area.
3. At the State Transportation Library, 10 Park Plaza, 2<sup>nd</sup> floor, in Boston
4. By contacting Stephen Woelfel, Manager of Long Range Planning at 617-222-5237 or at [swoelfel@mbta.com](mailto:swoelfel@mbta.com)

If you have any questions regarding the project or the Scoping Report, please contact Mr. Woelfel at the above referenced number and/or e-mail address.
