

An application for 401 Water Quality Certification is pending before the Department of Environmental Protection for Manitoak Estates, construction of an affordable housing subdivision (40B) consisting of 4 roads and 37 lots for single family dwellings by Thomas Grossi, P.O. Box 665, No. Dighton, MA 02764 on Bliss Street in Rehoboth, MA. Additional information may be obtained from RIM Engineering Co., 150 No. Main St., Mansfield, MA 508-339-3731. Written comments should be addressed to: MA DEP SE Regional Office, Division of Wetlands and Waterways, 20 Riverside Drive, Lakeville, MA 02347 within twenty-one days of this notice. Any group of ten persons, any aggrieved person, or any governmental body or private organization with a mandate to protect the environment who submits written comments may appeal the Department's Certification. Failure to submit written comments before the end of the public comment period may result in the waiver of any right to an adjudicatory hearing.

I e-mailed this to your office on 9/20/07.

Just in case you could not pick up the attachment in the email I sent it by mail also.
