

NOTICE OF REMEDY IMPLEMENTATION PLAN

**GENCORP INC. LAWRENCE LOCATION
70 GENERAL STREET (PO BOX 129)
LAWRENCE, MASSACHUSETTS 01842**

RELEASE TRACKING NUMBER 3-0340

A Remedy Implementation Plan (310 CMR 40.0847) has been developed for the above site pursuant to the Massachusetts Contingency Plan (310 CMR 40.1406). This site was classified as a Tier I and granted a Waste Site Cleanup Permit on July 1, 1994.

The Remedy Implementation Plan proposes the following measures to respond to a release of oil and/or hazardous material at the disposal site.

- Removal of PCB contaminated floors in conjunction with asbestos abatement and demolition of Building 4 as part of the site re-use.
- Limited excavation to remove PCB contaminated soils and installation of a dense non-aqueous phase recovery wall in bedrock to remove PCB oils.
- A supplemental Remedy Implementation Plan will be developed during 2006 to remediate other areas of the site.

M.G.L. c. 21E and the Massachusetts Contingency Plan provide additional opportunities for public notice of and involvement in decisions regarding response actions at disposal sites: 1) The Chief Municipal Official and Board of Health of the community in which the site is located will be notified of major milestones and events, pursuant to 310 CMR 40.1403; and 2) Upon receipt of a petition from ten or more residents of the municipality in which the disposal site is located, or of a municipality potentially affected by a disposal site, a plan for involving the public in decisions regarding response actions at the site will be prepared and implemented, pursuant to 310 CMR 40.1405.

To obtain more information on this disposal site and the opportunities for public involvement during its remediation, please contact Chester T. Gwardyak, Licensed Site Professional, CDM, 50 Hampshire Street, Cambridge, MA 02139 at 617-452-6271.
