27 October 2006

Dear Advisory Committee Member,

The Plymouth County Mosquito Control Project and the Norfolk Mosquito Control Project are preparing for a meeting on Tuesday 14th of November. The meeting will be held in the conference room of the Quincy DPW at 55 Sea Street in Quincy. The meeting will start at 9:30am. with Plymouth County Mosquito Control Project giving a 5 yr review of OMWM projects located at Peggotty Beach in Scituate and Homestead Ave. in Marshfield. No new OMWM projects are planned in Plymouth County at this time. Norfolk County Mosquito Control Project will discuss two new projects and then visit both these sites. If there is interest they will also visit some old projects as well.

Those people who are on Plymouth's advisory committee but not on Norfolk's are welcome to stay for the duration of the meeting or they can leave after their committee has meet.

If anyone has any site suggestions or questions please feel free to contact me at (781)585-5450.

Sincerely,

Ellen Bidlack
Entomologist
