

Public Notice

The Office of Coastal Zone Management (CZM) has undertaken a minor boundary adjustment pursuant to 301 CMR 25.05(2), which allows CZM to adjust the boundary of a Designated Port Area (DPA) to identify it in relation to legal or physical boundaries such as roadways, property lines or legal landmarks.

Pursuant to 301 CMR 25.05(2), the East Boston DPA boundary is being adjusted to coincide with the boundary between the following City of Boston parcels, now or formerly 0105412003 and 0105413000. The minor boundary adjustment will not result in a reduction of the total area of the DPA. The adjusted boundary is depicted on a plan entitled "Boston East Parcels", prepared by Nitsch Engineering, dated October 17, 2007, which is on file at CZM's Boston Office at 251 Causeway Street, Suite 800, Boston, MA 02114.
