

An application for 401 water quality certification is pending before the Department of Environmental Protection for a project titled, "Comprehensive 10-Year Town-wide Maintenance Dredging and Beach Nourishment Project in the Town of Yarmouth." This project includes dredging and beach nourishment activities at 37 locations in the Towns of Yarmouth and Dennis. Additional information related to this project may be obtained from Richard Baldwin, Apex Companies LLC located at 115 Broad Street, Suite 200, Boston, MA 02210 . (617) 728-0070. Written comments should be addressed to the: MassDEP, Boston Office within twenty-one days of this notice. Any group of ten persons, any aggrieved person, or any governmental body or private organization with a mandate to protect the environment who submits written comments may appeal the Department's Certification. Failure to submit written comments before the end of the public comment period may result in the waiver of any right to an adjudicatory hearing.
