Massachusetts Department of Environmental Protection
Division of Wetlands and Waterways
Southeast Region
20 Riverside Drive
Lakeville, MA 02347

Pursuant to 33 U.S.C. 1341 M.G.L. c. 21 S 43, notice is given of a 401 Water Quality Certification application for slope protection improvements at the I-391 Bridge over the Connecticut River in Chicopee, MA by the MassDOT Division of Highways, Ten Park Plaza, Room 4260, Boston, MA 02116. This project will involve the reconstruction of the existing earthen slope in front of the I-391 Bridge abutment, with a new articulating concrete block slope. Additional information may be obtained from the Massachusetts Department of Transportation Highway Division at the above address, Attention Timothy Dexter, (857) 368-8794. Written comments should be sent to MassDEP, Southeast Region Main Office, Attention Christopher Ross, 20 Riverside Drive, Lakeville, MA 02347 within 21 days of this notice. Any group of ten persons, any aggrieved person, or any governmental body or private organization with a mandate to protect the environment who submits written comments may appeal the Department's Certification. Failure to submit written comments before the end of the public comment period may result in the waiver of any right to an adjudicatory hearing.
