Re: Notification of filing a Notice of Intent for Pine Lake, off River Road in Sturbridge

Anticipated date of Submission: June 2018

The proposed project is seeking approval to initiate an Aquatic Management Program at Pine Lake in Sturbridge, MA. U.S EPA/State registered herbicides and/or algicides will be applied to manage nuisance aquatic vegetation and algae to protect the interests of the Wetlands Protection Act and Town of Sturbridge Wetlands Protection Bylaw by impeding eutrophication and improving habitat value.

Reviewing Conservation Commission:

Sturbridge Conservation Commission
Center Office Building
308 Main St
Sturbridge, MA 01566

Copies of the Notice of Intent application may be examined or acquired from the Sturbridge Conservation Commission or by contacting the applicant's representative, Scott Morrison, EcoTec, Inc. at (508-752-9666 x27 or smorrison@ecotecinc.com).

See Conservation Commission website for the meeting schedule for agendas with exact dates and times.
