

Notice to the Environmental Monitor

Publication Date: June 10, 2019

A Notice of Intent Application, Ecological Restoration Limited Project, on behalf of the City of Pittsfield, will be submitted to the Pittsfield Conservation Commission on or about June 13, 2019 for the restoration of a portion of Springside Park Pond. Specifically, the proposal includes the restoration of inland bank, the removal of the former concrete swimming and wading pool and the restoration of these areas back to open water habitat. A gazebo and elevated boardwalk will be installed over the open water for passive recreation use. Copies of this application can be examined or acquired by contacting the Civil Engineer at:

SK Design Group, Inc.
2 Federico Drive
Pittsfield, MA 01201
(413) 443-3537
Sarah Gapinski, Project Manager

Information regarding public hearing dates and times can be obtained by reaching out to the Pittsfield Conservation Commission at:
