

May 22, 2019

Environmental Monitor notice of proposed Ecological Restoration Limited Project (ERLP) at 24 Cherry Hill Road, Stockbridge, MA.

Notice: Wendy Linscott, Trustee of CHF Real Estate Trust, and John and Katherine Morris will file a Notice of Intent with the Stockbridge Conservation Commission and MA DEP for project review of invasive plant species control as an Ecological Restoration Limited Project (ERLP).

Project description: The proposed project includes invasive plant control that will be performed by Native Habitat Restoration, LLC. The property contains protected bordering vegetated wetlands and a small pond.

NOI submission: The applicant anticipates submitting Notice of Intent application for review as an Ecological Restoration Limited Project (ERLP) for public hearing review in June 2019.

More information: Further information about the Notice of Intent and public hearing may be obtained from the Stockbridge Conservation Commission at (413) 298-4170 ext. 259 or 50 Main St., Stockbridge, MA 01262. You may also contact Jessica Toro of Native Habitat Restoration, LLC (413) 358-7400.
