

## Public Notice

Public Notice of a 401 Water Quality Certification Application Transmittal No. X283464. Pursuant to 33 U.S.C. 1341 and M.G.L. c. 21 §43, notice is given of a 401 Water Quality Certification Application by Mr. Glenn West to remove the Lyman Pond Dam at 285 College Highway in Southamptton on the Manhan River. The project involves channel dredging and placement of fill for channel and bank stabilization. Information about the project may be obtained from: Nick Wildman, MA Div. of Ecological Restoration, 251 Causeway Street, Suite 400, Boston, MA 02114; (617) 626-1527. Written comments on the 401 Water Quality Certification Application must be sent within twenty-one (21) days of this Notice to: Derek Standish, MassDEP Wetlands Program, One Winter Street, 5th Floor, Boston, MA 02108 Or via email to: [derek.standish@mass.gov](mailto:derek.standish@mass.gov) The Department will consider all written comments on this Application received in accordance with the Public Comment deadline above. Failure of any aggrieved person or group of ten (10) citizens or more to submit written comments as specified above will result in the waiver of any right to an adjudicatory hearing in accordance with 310 CMR 9.13(4)(c). The group of citizens must include no less than five (5) citizens who are residents of the municipality in which the proposed project is located. A public hearing may be held upon request by the Municipal Official.
