Re: Notification of Filing an NOI for Pine Island Lake

Anticipated date of submission: February 17, 2021

The proposed project is seeking approval to conduct an Aquatic Management Program at Pine Island Lake in Westhampton, MA. Multiple techniques including drawdown, mechanical harvesting, diver assisted suction harvesting, benthic barriers and USEPA/MA registered aquatic herbicides & algaecides will be utilized to manage nuisance aquatic vegetation and algae to protect the interests of the Wetlands Protection Act by impeding eutrophication and improving habitat value.
