

NOTICE OF A REMEDY IMPLEMENTATION PLAN

**GREENFIELD TAP & DIE PLANT NO. 1
11-17 MERIDIAN STREET
GREENFIELD, MA
RTN 1-0083**

A Remedy Implementation Plan (310 CMR 40.0874) has been developed for the above site pursuant to the Massachusetts Contingency Plan (310 CMR 40.1406). This disposal site was classified as Tier I on 8 October 1999 and granted a Waste Site Cleanup Permit on 19 January 2000.

The Remedy Implementation Plan proposes the following measures to respond to a release of oil and/or hazardous materials at this disposal site:

- Excavation of a subsurface trench to the top of the water table
- Installation of a piping network in the trench
- Application of PermeOx Plus, an oxygen-generating compound, to promote bioremediation of residual petroleum impacts
- Groundwater quality monitoring

M.G.L. c. 21E and the Massachusetts Contingency Plan provide additional opportunities for public notice of and involvement in decisions regarding response actions at disposal sites: 1) The Chief Municipal Official and Board of Health of the community in which the site is located will be notified of major milestones and events, pursuant to 310 CMR 40.1403; and 2) Upon receipt of a petition from ten or more residents of the municipality in which the disposal site is located, or of a municipality potentially affected by a disposal site, a plan for involving the public in decisions regarding response actions at the site will be prepared and implemented, pursuant to 310 CMR 40.1405.

To obtain more information on this disposal site and the opportunities for public involvement during its remediation, please contact Kurt Batsel, Principal, The Dextra Group, 4665 Lower Roswell Road, #154, Marietta, GA 30068 at 770-578-9696.
