FEDERAL CONSISTENCY REVIEW NOTICE

The Massachusetts Office of Coastal Zone Management (CZM) Office is reviewing the proposals listed below for consistency with its enforceable program policies. Project proponents have filed a statement and accompanying information with the CZM Office certifying that their proposal is consistent with these policies. This information is available for public inspection at the CZM Office. Written comments may be submitted to the CZM Office within twenty-one days of the publication date of this *Environmental Monitor*, or as otherwise noted below. To submit comments electronically, send an e-mail to Truman.Henson@state.ma.us.

Anyone having technical questions regarding a particular project should contact the reviewer listed at the end of each notice below. Anyone having questions regarding the public comment process, or having comments on any project listed below should contact:

Truman Henson, Project Review Coordinator
Massachusetts Office of Coastal Zone Management
251 Causeway Street, Suite 800
Boston, MA 02114
617-626-1219

Weavers Cove Energy, LLC, is proposing to construct and maintain a liquefied natural gas receiving and storage facility with associated infrastructure, and to conduct maintenance and improvement dredging in the federal navigation channel and a turning basin within Mount Hope Bay, as well as areas associated with the Mill River Western Lateral river crossing. Contact David Janik at 508-291-3625, ext. 20.

Mill River Pipeline, LLC, is proposing to construct and maintain two gas transmission pipelines for the purpose of interconnecting a proposed liquefied natural gas receiving and storage facility with the existing interstate natural gas pipeline system. Contact David Janik at 508-291-3625, ext. 20.

The Department of Conservation and Recreation is proposing to construct a seawall toe protection, beach access enhancements and minor repairs to an existing seawall. Contact Jason Burtner 781-545-8036.
