

**DEPARTMENT OF ENVIRONMENTAL PROTECTION  
WATERWAYS REGULATION PROGRAM**

**Notice of License Application pursuant to M. G. L. Chapter 91  
Waterways License Application Number W07-1856  
Christopher W. Dick**

**NOTIFICATION DATE: February 20, 2007**

Public notice is hereby given of the application by Christopher W. Dick to license and rehabilitate an existing seawall, stairs, ramp and fill at 27 Ober Street in the municipality of Beverly in and over filled and flowed tidelands of the Atlantic Ocean. The proposed use of the project is to provide shoreline stabilization and beach access and is a water dependent project.

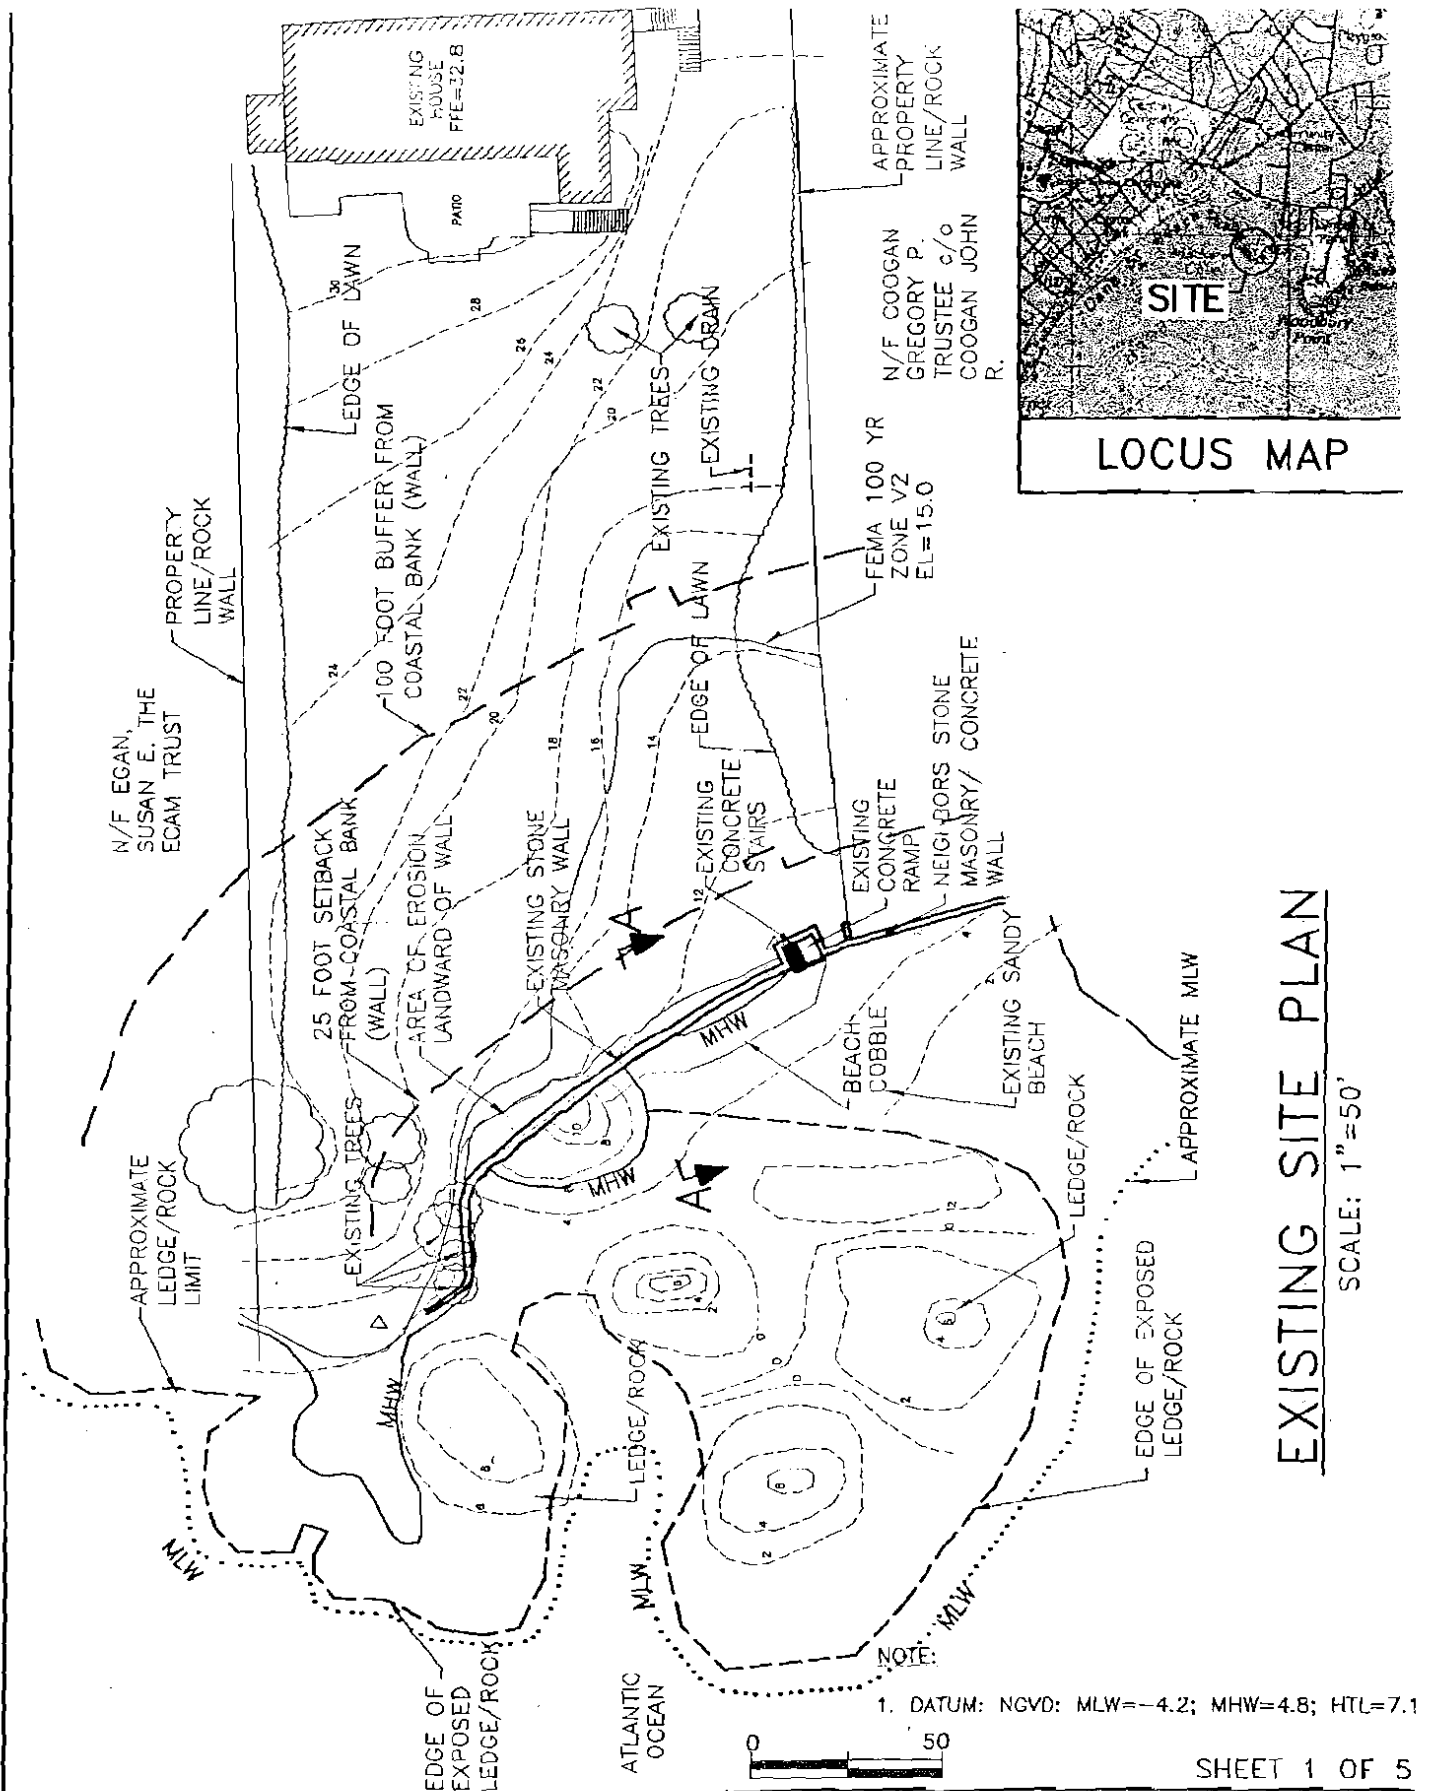

The Department will consider all written comments on this Waterways application received by within 30 days subsequent to the "Notification Date". Failure of any aggrieved person or group of ten citizens or more to submit written comments to the Waterways Regulation Program by the Public Comments Deadline will result in the waiver of any right to an adjudicatory hearing in accordance with 310 CMR 9.13(4)(c).

Additional information regarding this application may be obtained by contacting the Waterways Regulation Program at (617) 292-5500. Project plans and documents for this application are on file with the Waterways Regulation Program for public viewing, by appointment only, at the address below. Written comments must be addressed to: Ben Lynch, Program Chief, WRP, One Winter St., 6<sup>th</sup> fl., Boston, MA 02108.
