MEPA

NOTIFICATION DATE: April 18, 2007

Public notice is hereby given of the application by National Park Service to reconstruct and maintain a dock and to perform dredging at 244 Central Street, Saugus Iron Works in the municipality of Saugus in and over flowed tidelands of the Saugus River. The proposed use of the project is to provide noncommercial boating and docking access to navigable waters and is a water dependent project.

The Department will consider all written comments on this Waterways application received by within 30 days subsequent to the "Notification Date". Failure of any aggrieved person or group of ten citizens or more to submit written comments to the Waterways Regulation Program by the Public Comments Deadline will result in the waiver of any right to an adjudicatory hearing in accordance with 310 CMR 9.13(4)(c).

Additional information regarding this application may be obtained by contacting the Waterways Regulation Program at (617) 292-5500. Project plans and documents for this application are on file with the Waterways Regulation Program for public viewing, by appointment only, at the address below. Written comments must be addressed to: Ben Lynch, Program Chief, WRP, One Winter St., 6th fl., Boston, MA 02108.

An application for 401 Water Quality Certification is pending before the Department of Environmental Protection for Restore Saugus River Turning Basin and Dock. Public notice is hereby given of the application by the National Park Service to reconstruct and maintain a dock and to perform dredging at 244 Central Street, Saugus Iron Works in the municipality of Saugus in and over flowed tidelands of the Saugus River. The proposed use of the project is to restore the historical landscape and provide noncommercial boating and docking access to navigable waters and is a water dependent project.

Additional information may be obtained by contacting Marc Albert at the National Park Service, 244 Central Street, Saugus, MA 01906, (781) 231-7339. Written comments should be addressed to: Ken Chin, DEP, Division of Wetlands and Waterways, One Winter Street, Boston, MA 02108 within twenty-one days of this notice.

Any group of ten persons, any aggrieved person, or any governmental body or private organization with a mandate to protect the environment who submits written comments may appeal the Department's Certification. Failure to submit written comments before the end of the public comment period may result in the waiver of any right to an adjudicatory hearing.
