

The Amherst Department of Public Works has applied to MADEP for a Pumping Test Proposal application for testing an existing public water supply source to increase withdraw from 0.36 MGD up to approximately 0.56 MGD of water from the ground of the Connecticut River Basin in Amherst, Massachusetts. The location of the withdrawal point is at the Wells 1&2 site off of Warren Wright Road in Belchertown, Massachusetts.

Written comments on the granting of a MADEP permit to conduct pump testing of the site for an expanded water supply withdrawal are to be filed within thirty (30) days of publication of this notice in the Environmental Monitor. The written comments are to be submitted to the Drinking Water Section Chief at the Western Regional Office of the Department of Environmental Protection at 436 Dwight Street in Springfield, Massachusetts 01103.
