

Executive Office of Environmental Affairs
Wetlands Banking Pilot: Taunton River Watershed
The 2004 Massachusetts Acts Chapter 291

The Executive Office of Environmental Affairs hereby gives notice that interested parties are invited to nominate sites located within the Taunton River Watershed for consideration in siting of the first wetlands bank in Massachusetts. Chapter 291 requires that the pilot banking site “shall be located on lands and easements taken or acquired under Article XCVII (97) of the Amendments to the Constitution. Restoration of previously filled, degraded, or drained wetlands shall be a priority.”

Visit <http://www.bluewavestrategies.com> for a link to further information regarding the pilot wetlands banking program.

Parties interested in nominating a site for the pilot bank should contact:
