

MEPA NOTICE

NOMINATIONS FOR CITIZENS ADVISORY COMMITTEE  
SOUTH WEYMOUTH NAVAL AIR STATION REDEVELOPMENT

EOEA# 11085R      *Redevelopment of the Former Naval Air Station and Associated  
Transportation Improvements*

Secretary Pritchard is soliciting nominations for two positions that have become vacant on the Citizens Advisory Committee (CAC) for Redevelopment of the Former Naval Air Station and Associated Transportation Improvements. The CAC was established to assist in review of the project, as proposed in the Certificate on the Special Review Procedure (October 11, 2000), and is now beginning its review of a revised development plan.

Nominations should be made in writing to Secretary Pritchard and should describe the nominee's interest in the project, his or her affiliation, and qualifications that the nominee would bring to the CAC. In accordance with the MEPA regulations, I expect that the CAC shall be diverse in affiliation and experience, and fairly represent a range of viewpoints.

Nominations should be sent by Friday September 9, 2005 to:

Secretary Stephen R. Pritchard  
Executive Office of Environmental Affairs
