FEDERAL CONSISTENCY REVIEW NOTICE

The Massachusetts Office of Coastal Zone Management (CZM) Office is reviewing the proposals listed below for consistency with its enforceable program policies. Project proponents have filed a statement and accompanying information with the CZM Office certifying that their proposal is consistent with these policies. This information is available for public inspection at the CZM Office. Written comments may be submitted to the CZM Office within twenty-one days of the publication date of this *Environmental Monitor*, or as otherwise noted below. To submit comments electronically, send an e-mail to Robert.Boeri@state.ma.us.

Anyone having technical questions regarding a particular project should contact the reviewer listed at the end of each notice below. Anyone having questions regarding the public comment process, or having comments on any project listed below should contact:

Robert L. Boeri, Acting Project Review Coordinator
Massachusetts Office of Coastal Zone Management
251 Causeway Street, Suite 800
Boston, MA 02114

This permit proposes limits on the withdrawal and discharge of water by the Energy Bridge Regasification Vessels at the Northeast Gateway Deepwater Port. The permit includes limits on withdrawal volumes and discharge temperatures and also requires certain ambient monitoring to validate thermal plume models and to evaluate ichthyoplankton around the port. Contact Todd Callaghan 617-626-1233

The Canal Electric Company is proposing to renew the NPDES permit #MA0004928 to discharge from Mirant Canal Station in Sandwich to receiving water named Cape Cod Canal to the Atlantic Ocean. Contact Todd Callaghan 617-626-1233.
