

IMMEDIATE RESPONSE ACTION STATUS REPORT
FORMER AEROVOX FACILITY
740 BELLEVILLE AVENUE
NEW BEDFORD, MA
RTN 4-0601

Response to BWSC105: Question H. 2.

The RTN that is the subject of this submittal is subject to an Administrative Consent Order, ACO-SE-09-3P-016 between the Commonwealth of Massachusetts and AVX Corporation, dated June 3, 2010. The applicable provisions of the ACO require AVX to complete response actions under the MCP from Phase I/Tier Classification through RAO or ROS. The IRA condition that is the subject of this submittal (presence of NAPL in a monitoring well) was discovered during the course of compliance with these provisions, i.e. during Phase II comprehensive site assessment work.
