

BWSC 108**Section F. Question 1.**

The Site assessment and remediation for the Aerovox Inc. site (i.e., Former Aerovox Facility) under Massachusetts General Law Chapter 21E and the MCP is subject to the Administrative Consent Order and Notice of Responsibility (ACO) between AVX Corporation and the Massachusetts Department of Environmental Protection (MassDEP) and the Massachusetts Office of the Attorney General, effective as of June 3, 2010 (ACO-SE-09-3P-016). The ACO provides for completion of the MCP process from Phase I through closure, with full MassDEP oversight, review and approval; and establishes specific milestones and deadlines for phase submittals.
