RTNs 4-0027363 and 4-0027576
McCabe and Kraseman Streets, Dartmouth, MA

Dear Ms. Williamson:

The City of New Bedford has reviewed its files for the records and other information described in "Attachment A" of the above referenced "Request for Information" (RFI) sent by Massachusetts Department of Environmental Protection (MassDEP) on January 11, 2019. The City's review has included the records of the following New Bedford City offices:

- Mayor
- City Solicitor
- Department of Public Infrastructure
- Department of Facilities and Fleet Maintenance
- Fire Department
- City Clerk
- Environmental Stewardship
- Planning and Community Development
- Board of Health

With respect to paragraph number one of Attachment A, the City has found no responsive records, documentation, mapping, or other information responsive to the request outlined in sections (a) through (m) of this request.

With respect to paragraph number two of Attachment A, the City has found no responsive records, documentation, mapping, or other information responsive to the request outlined in sections (a) and (b) of this request.

Enclosed please find the Certification of Submittal related to the City's response to this Request for Information.

If you require clarification or additional information regarding this response, please do not hesitate to call me at 508-979-1487.

Sincerely,

A handwritten signature in black ink, appearing to read 'M. Paul', written in a cursive style.

Michele Paul, LSP

Director, Resilience and Environmental Stewardship, City of New Bedford
